## Welcome to a new school year....

Welcome back. I hope you all had a wonderful summer holiday and made the most of the lovely weather and having the children at home! It's great to be back at school - the children have settled well in their new classes and have been working hard and learning lots already. We extend a special welcome to all families who are new to our school and know you will soon feel part of the Tedburn community. We also welcome Miss Andrews into Birch class and I know she is really enjoying getting to know the children in her class.

We have lots of exciting things planned for this year, as we work together to improve our school further. We will be continuing our Sports partnership with QE and everyone will have the chance to take part in an event at the high school. Mrs Dolan is looking forward to continuing to develop Forest school and build on her work last year. We will also be part of the Jurassic Maths Hub and Mr Lee will be leading lots of exciting new Maths learning within school.

As you can see our diary for this term is already filling up - please check the updated dates/events section on our weekly newsletter and website so that you don't miss anything. If you aren't already following us on Facebook, please do, as this is also where we regularly post updates of exciting things happening in school.

As always we value your support and if you do have any questions, issues or concerns then please call us or pop into the school office and we will do our best to help.

We will be having a 'drop in to meet the teacher' on Monday 16th at 2.30. We will also be running Parent Forums later in the year, where you can come along to discuss ways to help us continually improve our school. We had lots of great ideas from parents last year, many which we have brought into school. With all good wishes for a happy, rewarding and successful year for everyone.
